

Dr. Michael Mamas

Dr. Michael Mamas is the spiritual leader and visionary of Mount Soma. He brings out ancient Vedic Knowledge, the Knowledge at the base of all religions, in modern terms. Dr. Mamas is also the protector of the Knowledge, making sure Knowledge is brought out in its purity.

Michael Mamas began his Eastern studies at age 21 with his beloved Guru, Maharishi Mahesh Yogi, the embodiment of Vedic Wisdom in the eternal tradition of Vedic Masters. Soon after, he awakened to the Knowledge and spent a decade living a monastic life. He has been teaching internationally for over 35 years.

His Western education includes a Doctorate in Veterinary Medicine, a Master of Business Administration, and a double major in undergraduate honors Math and Physics. From the wisdom and knowledge he gained, Dr. Mamas derived a profound and practical approach to personal evolution and health, one that transcends both traditional and alternative methods.

Michael Mamas is the author of a variety of books, including *The Golden Frog* (a novel), *Unconditioned Spirit* (book with home study course), *Look Deeper Live Better*, *The Relationship Sutras*, *The Dharma Sutras*, and *Lily's Magic Garden* (a children's book).

Dr. Mamas talks about Vedic Knowledge in a way that makes sense to the younger generations and modern mentality. He merges Eastern and Western thought, unites science with spirituality, and helps people experience the meaning of his words within the depth of their own being.

Michael Mamas' daily awareness is on the world and bringing peace and harmony to it. He is the embodiment of Divinity, the embodiment of Knowledge. It is his mission in life to bring this Divine Knowledge forth and transform global consciousness through Mount Soma.

Michael Mamas is one of the rare individuals of our time who exemplifies true universal wisdom and has the ability and willingness to relate this subtle knowledge to the world.
